

Writing, Editing, Design, and Publication of Two Textbooks for B&W Pantex

**Subcontractor
\$49,000**

**Period of Performance
February 2008 - present**

TBC Solutions is currently providing support for publication of a textbook on High Reliability Organizations and safety (Volume 1) and a manual on Causal Factor Analysis (Volume 2) for Babcock & Wilcox Pantex.

Specific tasks performed by TBC Solutions for this project included:

- Rewriting the content for Volume 1 for clarification and tone to meet the intended audience.
- Clarification of concepts in Volume 1 to highlight B&W's original and unique contributions to this field.
- Editing Volume 2 for clarity and tone to meet the intended audience.
- Creation of illustrations for both volumes to convey and enhance the content.
- Design and layout of both documents.
- Printing of both documents.
